▲These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Do not use if packaging has been tampered with. Store in a cool, dry place (60°F to 80°F).

DIRECTIONS: To assess individual tolerance, consume 1 scoop of #Shatter™ SX-7® Black Onyx™ Ripped in 6 oz. of water per day for up to 3 days, then follow directions below.

Directions for Weight Loss: Mix 1 serving (1 scoop) with 6 oz. of cold water and consume 30 minutes before your 2 largest meals. For best results, use with a diet and exercise program. Do not snack between meals or before bed. Do not exceed 2 servings (2 scoops) in a 24-hour period.

Directions for Pre-Workout: For more energy, mix 2 servings (2 scoops) with 12 oz. of cold water and consume 30 minutes before your workout.

Do not take within 5 hours of bedtime. Read the entire label before use and follow directions provided.

WARNING: Not intended for use by persons under 18. Do not use if pregnant or nursing. Consult a medical doctor if you have a medical condition or before starting any diet or exercise program. One serving of this product contains up to as much caffeine as 2 cups of coffee. Caffeine sensitive individuals may experience symptoms including (but not limited to) restlessness, nervousness, tremors, anxiety, increased heart rate or difficulty sleeping. Do not combine with other sources of caffeine. Some individuals may experience a harmless tingling sensation from the concentrated performance dose of beta-alanine. May cause flushing and itching. **KEEP OUT OF REACH OF CHILDREN.**

#Shatter™ SX-7® Black Onyx™ Ripped is manufactured according to cGMP standards, as is required for all dietary supplements.
