For optimal freshness, product may be refrigerated after opening.

What's In Your Cranberry?

Each single tsp. serving contains a minimum of 139mg of guaranteed overall PACs (both soluble and insoluble), the strongest potency of complete PACs in an organic whole food cranberry product. Proanthocyanidins are antioxidants found in Cranberry associated with urinary tract health.*

100% DNA Authentication, Fingerprint Technology, Standardization, Efficacy & Potency

Not all Cranberry products are created equal. There are vast differences in quality, processing and potency. Cranberry Supreme's 5 Step Quality Assurance Process ensures 100% Cranberry DNA Authentication, Identification Fingerprint Technology, Standardization, Efficacy and Potency. Analytics are used to quantify and standardize both soluble and insoluble PACs, other antioxidants along with the source and stability of PACs guaranteeing both efficacy and potency.

DAILY PROBIOTIC CRANBERRY SUPREME

Organic Traditions® Daily Probiotic Cranberry Supreme is the highest quality organic whole food cranberry blend made from a combination of whole cranberry fruit powder, cranberry seed powder and beneficial probiotics. This cranberry formula delivers 139mg of PACs (both soluble and insoluble) per 1 tsp serving along with other beneficial flavonoid antioxidants, plant sterols, phospholipids, fiber and naturally occurring Omega 3, 6 & 9 fatty acids. 37 pounds of fresh cranberry is used to make 1 pound of concentrated whole fruit powder while 335 pounds of fresh cranberry seed is used to make 1 pound of cranberry seed powder. A proprietary technology and low temperature drying process is used to ensure preservation of delicate antioxidants, including PACs. Enjoy balanced nutrition along with 5 billion beneficial probiotics per 1 tsp. serving for optimal digestive health.* The premium probiotic strain *Bacillus coagulans* unique IS-2 has excellent survivability, stability, safety and efficacy. It survives stomach acidity, does not require refrigeration and can be added to both hot and cold drinks and recipes. Add this delicious nutrient dense Probiotic Cranberry Powder to water, coconut water, your favorite juice, smoothies, shakes, yogurt, cereal, oatmeal, porridge, berries, pudding, apple sauce, pancakes, breads, baked goods, salads, soups, wraps, stir-fry, quinoa, rice and pasta dishes, raw superfood desserts and more! For optimal PAC antioxidant efficacy do not use in boiling hot drinks or recipes.
