MegaFood cares about doing things the right way – we refuse to take shortcuts, and we never compromise on quality or the things that matter. Since 1973, we have been going out of our way to source fresh and local foods from trusted farmers like Kauai Organic Farms. We then make our FoodState Nutrients™ and wholesome supplements using our one-of-a-kind Slo-Food Process™ to deliver the most authentic nutrition - much more than vitamins alone.

Kauai Organic Farms is a family owned and operated farm on the North Shore of Kauai. Kauai is known as the Garden Island of Hawaii, offering nutrient rich soils, sunshine and a constant supply of fresh rainwater from the lush mountains of the island. It has proven to be the ideal location for growing certified Organic Turmeric which MegaFood is proud to deliver to you in this product. "We farm organically because it's simply a better way to farm and we keep chemicals out of the ground water. At the end of the day we have confidence we are using the best farming methods to preserve this beautiful island we call home," say Phil and Linda Green, owners of Kauai Organic Farms.
