

SCIENTIFICALLY DESIGNED ENERGY
& METABOLISM FORMULA

VitaMax Energy & Metabolism SX-7™ Black Onyx™ for men is a unparalleled formula designed to help you lose weight with its key weight loss ingredient, *C. canephora robusta*. It also delivers caffeine to increase your energy for better performance when training and to accelerate your metabolism. Finally, it delivers vitamins for general health support along with nutrients, phytonutrients, male-friendly zinc and more!▲

Increased Energy For Superior Workouts

VitaMax Energy & Metabolism SX-7™ Black Onyx™ for men contains B vitamins to support macronutrient metabolism, which is the conversion of macronutrients into metabolic energy.▲

2VitaMax Energy & Metabolism SX-7™ Black Onyx™ also delivers caffeine to ignite your metabolism, enhance focus and boost energy.▲

VitaMax Energy & Metabolism SX-7™ Black Onyx™ combines an advanced daily multivitamin for men along with a studied weight loss driver while providing support for your workouts to help attain the sought-after physique you work so hard for!▲

▲These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Directions: Take 1 serving (4 tablets) with water.

Directions for Weight Loss: Take 1 serving (4 tablets) 2 times daily, 30 to 60 minutes before your 2 largest meals (e.g., breakfast and lunch). For best results, use in conjunction with diet and exercise for 60 days.

Directions for Energy: Take 1 serving (4 tablets) with water and consume 30 minutes before your workout. On days you do not work out, take 1 serving (4 tablets) with water in the morning. Do not take within 5 hours of bedtime. Do not exceed 2 servings (8 tablets) in a 24-hour period. Read the entire label before use and follow directions provided.

WARNING: For adult use only. Do not use if pregnant or nursing. May cause flushing or itching. Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. In case of accidental overdose, call a medical doctor or poison control center immediately. If you experience a skin rash or any other allergic reaction, discontinue use and consult a medical doctor. Consult a medical doctor if you have a medical condition or before starting any diet or exercise program.

KEEP OUT OF REACH OF CHILDREN.
