| Vitamin D (as cholecalciferol)                                                               | 1,800 IU                  | 250%   |
| Vitamin E (as mixed tocopherols)                                                             | 30 IU                     | 100%   |
| Vitamin K (as phytonadione)                                                                  | 100 mcg                   | 125%   |
| Thiamin (as thiamin HCl) (vitamin B1)                                                        | 75 mg                     | 5,000% |
| Riboflavin (vitamin B2)                                                                      | 75 mg                     | 4,412% |
| Niacin (as niacinamide)                                                                      | 50 mg                     | 250%   |
| Vitamin B6 (as pyridoxine HCl)                                                               | 45 mg                     | 2,250% |
| Folate (as Folic acid and Quatrefolic® brand (RS)-5-methyltetrahydrofolate glucosamine salt) | 400 mcg                   | 100%   |
| Vitamin B12 (as methylcobalamin)                                                             | 500 mcg                   | 8,333% |
| Biotin                                                                                       | 200 mcg                   | 67%    |
| Pantothenic Acid (as calcium D-pantothenate)                                                 | 50 mg                     | 500%   |
| Calcium                                                                                      | 80 mg                     | 8%     |

| Amount per Serving                                                                                       | % DV    |      |
|----------------------------------------------------------------------------------------------------------|---------|------|
| Iodine (as potassium iodide)                                                                             | 200 mcg | 133% |
| Magnesium (as magnesium aspartate)                                                                       | 200 mg  | 50%  |
| Zinc (as zinc gluconate)                                                                                 | 15 mg   | 100% |
| Selenium (as L-selenomethionine)                                                                         | 55 mcg  | 78%  |
| Copper (as copper gluconate)                                                                             | 500 mcg | 25%  |
| Manganese (as manganese citrate)                                                                         | 2 mg    | 100% |
| Molybdenum (as sodium molybdate)                                                                         | 125 mcg | 167% |
| Sodium                                                                                                   | 20 mg   | <1%  |
| Potassium (as potassium citrate)                                                                         | 136 mg  | 5%   |
| Whey Protein† (milk)                                                                                     | 5.5 g   | **   |
| Malic Acid                                                                                               | 1.2 g   | **   |
| Betaine                                                                                                  | 750 mg  | **   |
| Inositol                                                                                                 | 750 mg  | **   |
| Inula (from chicory root)                                                                                | 750 mg  | **   |
| Taurine‡                                                                                                 | 500 mg  | **   |
| Glycine‡                                                                                                 | 350 mg  | **   |
| L-Tyrosine‡                                                                                              | 337 mg  | **   |
| N-Acetylcysteine (NAC)                                                                                   | 250 mg  | **   |
| L-Serine‡                                                                                                | 240 mg  | **   |
| Stevia Leaf Extract                                                                                      | 150 mg  | **   |
| Choline Bitartrate                                                                                       | 100 mg  | **   |
| Grape (seed) Extract standardized to 85% polyphenols (42.5 mg), including procyanidolic oligomers (PCOs) | 50 mg   | **   |
| Boron (as sodium borate)                                                                                 | 2 mg    | **   |

†Percent Daily Values (DV) are based on a 2,000 calorie diet.  
\*\*Daily Value not established.

Other ingredients: erythritol, orange juice powder, soy lecithin, organic gum acacia, peach juice powder, natural orange flavor with other natural flavors, mannitol, natural mango flavor with other natural flavors, gum acacia, natural cherry flavor with other natural flavors, monoammonium glycyrrhizate (from licorice extract), mango powder, silicon dioxide

Contains milk and soy.

**Recommendation:** Each morning, take ½ to 1 scoop, or as recommended by a healthcare professional. For ½ scoop: Mix with 4-8 oz. water, your favorite beverage, smoothie or yogurt. For 1 scoop: Mix with 8-12 oz. Best if consumed within 30 minutes of preparation. This product contains the amino acid Phenylalanine. If you are pregnant, nursing, have a blood clotting disorder or are taking any medications, consult a healthcare professional before use.

**GLUTEN FREE.** No yeast, wheat, artificial colors, flavors or preservatives.

Container is filled by weight, not volume; some settling may occur.
