ERFORMANCE MULTIVITAMIN FOR MEN

You're an active male who deserves a superior multivitamin formula. VitaMax Sport SX-7® Black Onyx¹⁴ is the only multivitamin featuring key ingredients that are backed by two different studies on performance in men!

The Ultimate Male Performance Multivitamin

VitaMax Sport SX-7® Black Onyx™ is engineered with 38 vitamins, minerals, nutrients, phytonutrients, digestive enzymes and more! In fact, it delivers more than 100% of your Daily Value of 20 different essential vitamins and minerals for general health support. ◆ Plus, it's perfect to stack with other MuscleTech® SX-7® products.

Increases Power, Performance & Plasma ATP

In an 8-week human clinical study, subjects using the precise dose of Terminalia arjuna in VitaMax Sport SX-7° Black Onyx[™] experienced a 4.9% increase in VO₂ max measured through gas exchange kinetics. Subjects also significantly increased average absolute power by 3.6%, measured through interval jumps and a subsequent power calculation. *

Sandhu et al., 2010. Int J Ayurveda Res. 1(3):144-9.

Recently published human clinical research has indicated that the precise dose of elev4TP® in VitalMax Sport SX7Black Onyx™ can increase blood ATP levels. ATP is the primary source of energy user during workouts or sports. A Reys=touteropt al., 2014. Julyang New Yom years (366 = 60
