

PERFORMANCE MULTIVITAMIN FOR WOMEN

You're an active woman who demands more out of life and deserves more out of your multivitamin. That's why **SX-7™** researchers formulated VitaMax Sport SX-7™ Black Onyx™. It's the most cutting-edge performance multivitamin specifically designed for you – the active woman who's always on the go.

Superior Vitamin Blend

VitaMax Sport SX-7™ Black Onyx™ features at least 100% of your Daily Value of 20 different vitamins and minerals, including vitamins A, B6, C, D, E, iron, zinc, thiamin, manganese and more. It also delivers the female-friendly nutrients you're looking for, like calcium, folic acid and iron. In fact, each serving of VitaMax Sport SX-7™ Black Onyx™ delivers a complete spectrum of 40 different nutrients: phytonutrients, vitamins, minerals, herbs, adaptogens, enzymes and antioxidants!

Energy and Metabolism Support!

1 VitaMax Sport SX-7™ Black Onyx™ also contains B vitamins to support macronutrient metabolism, which is the conversion of carbohydrates, protein and fat into metabolic energy.*

VitaMax Sport SX-7™ Black Onyx™ is the ultimate all-in-one performance multivitamin designed specifically for you. One daily serving provides the nutrients you desire for general health support.* Plus, it's perfect to stack with other MuscleTech® SX-7™ products.

PEEL FOR MORE INFORMATION

Directions: Take 1 serving (4 tablets) with food daily. Do not exceed 1 serving in a 24-hour period. Read the entire label before use and follow directions provided.

WARNING: For adult use only. Do not use if pregnant or nursing. May cause flushing or itching. Childbearing age women should limit daily vitamin A intake to 10,000 IU (excludes beta-Carotene). Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. In case of accidental overdose, call a medical doctor or poison control center immediately. If you experience a skin rash or any other allergic reaction, discontinue use and consult a medical doctor. Consult a medical doctor if you have a medical condition or before starting any diet or exercise program. **KEEP OUT OF REACH OF CHILDREN.**
