

CODE 053523

HPG

Each B-12 5000 fast dissolving lozenge dissolves quickly to facilitate optimal absorption. Vitamin B-12 is essential for metabolism, energy production and red blood cells.* B-12 and folic acid play an essential role in the maintenance of normal homocysteine levels important for cardiovascular health.*

Directions: As a dietary supplement, place one lozenge under the tongue and let it dissolve completely before swallowing. For maximum benefits, take as directed every day.
