HOST DEFENSE[®] MYCOMMUNITY[®]

MyCommunity is the 17 species Host Defense formula originally created by Paul Stamets—the most comprehensive Host Defense capsule formula for *Supporting Natural Immunity*.*

HOST DEFENSE[®] MYCOMMUNITY[®] uses activated, optimally dried, Certified Organic mushroom mycelium and fruitbodies, with a full spectrum of constituents: >55% (550mg/serving) polysaccharides, .5% (5mg/serving) fatty acids, and an array of extracellular constituents, including enzymes, antioxidants, and prebiotics for the microbiome, essential for *Supporting Natural Immunity*.*

Directions for use: As a dietary supplement, take 2 capsules once per day. Can be taken with food or without, on an empty stomach or as recommended by your healthcare advisor. Consult your healthcare advisor regarding the use of this product during pregnancy. Keep out of reach of children.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
