

Doctor's Best Synergistic Glucosamine/ MSM Formula supplies several building blocks for healthy joints. Glucosamine sulfate supports joint structure and function and supplies healthy joints with proteoglycans, which contribute to healthy joints and connective tissues.* Methylsulfonylmethane (MSM, from OptiMSM®) supplies bioavailable sulfur needed for joints.* OptiMSM® is purified via distillation for highest purity and consistency and is an excellent source of sulfur.* Vitamin C is essential for the production of collagen, a structural protein.*

Glucosamine Sulfate helps support normal, healthy joint function and helps maintain healthy joints.*

MSM helps support organ and joint function by donating sulfur for maintenance of healthy connective tissue.*

Vitamin C helps in the production of collagen.*
