

CoQ10 and the omega-3 fatty acids DHA and EPA are vitamin-like nutrients with clinically proven benefits.* All three are cell building blocks involved in energy generation and utilization. This VESIsorb® preparation with its patented delivery system is the pinnacle of efficient nutrient delivery. Through its naturally self-assembling, nano-colloidal delivery system, VESIsorb® amplifies the measurable blood levels of CoQ10.*

- Helps achieve superior CoQ10 blood levels over other formulations*
- Helps facilitate energy generation, antioxidant protection, cell membrane performance*
- Helps support wellness via the heart, brain, muscles, immune system, joints & other organs*
