Gluten Free, Lactose Free.

Each capsule = 22 mg caffeine. (CFU = Colony Forming Units)

What are probiotics?

Probiotics work to keep a healthy balance of intestinal flora. They reduce the amount of harmful bacteria by replenishing and maintaining the "friendly" bacteria.* The depletion of beneficial bacteria can occur as a result of poor diet, taking certain antibiotics, stress, food poisoning, travelers' diarrhea or poor overall digestive health.

Why take GNC Ultra Probiotic Complex 25 Plus Energy?

Each capsule combines 25 billion live and active cultures with guarana and key B vitamins involved in energy production and carbohydrate metabolism.* The clinically studied probiotics in this formula improve the balance of beneficial flora in the digestive tract, help reduce bloating and stomach discomfort, aid in improving regularity and support a healthy immune system.*

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
