

**MT**™ THE MOST POWERFUL SUPPLEMENTS ON EARTH.™

At MuscleTech®, our researchers are passionate about supplements. Our mission is to develop the most scientifically advanced and effective supplements to help you build muscle and strength, lose weight, and improve athletic performance. Thanks to our millions of loyal customers, we are fortunate to be the most-awarded and best-selling sports nutrition brand over the past 20 years.

Many supplement companies do not disclose their ingredients, and don't invest in research and development, or quality control. We are different. MuscleTech® invests millions in product research and development, and quality control – and our supplement facts always tell you EXACTLY what you are getting: The Most Powerful Supplements on Earth!

**MuscleTech® is the Leader in Science with a Multi-Million Dollar Research Budget –**

A portion of every dollar spent on MuscleTech® supplements is allocated toward scientific research to discover new and more effective ways to increase lean muscle and strength, and improve athletic performance. In fact, Team MuscleTech® researchers have collaborated with researchers at over 20 universities and research facilities around the world to study the various key ingredients found in our powerful formulas.

**100% Ultra-Pure Carnitine Liquid –** Delivers a precise daily dose of 1,000mg of L-carnitine, an ingredient shown in multiple human clinical studies to support post-workout recovery by improving muscle tissue repair and reducing muscle tissue damage.\*

Unlike other L-carnitine liquids that are unflavored, 100% Ultra-Pure Carnitine Liquid has been flavored with a delicious orange taste you know and love.
