

MT™ THE MOST POWERFUL SUPPLEMENTS ON EARTH.™

At MuscleTech®, our researchers are passionate about supplements. Our mission is to develop the most scientifically advanced and effective supplements to help you build muscle and strength, lose weight, and improve athletic performance. Thanks to our millions of loyal customers, we are fortunate to be the most-awarded and best-selling sports nutrition brand over the past 20 years.

Many supplement companies do not disclose their ingredients, and don't invest in science and research, or quality control. We are different. MuscleTech® invests millions in product research and development, and quality control – and our supplement facts always tell you EXACTLY what you are getting: The Most Powerful Supplements on Earth!

MuscleTech® is the Leader in Science with a Multi-Million Dollar Research Budget –
A portion of every dollar spent on MuscleTech® supplements is allocated toward scientific research to discover new and more effective ways to increase lean muscle and strength, and improve athletic performance. In fact, Team MuscleTech® researchers have collaborated with researchers at over 20 universities and research facilities around the world to study the various key ingredients found in our powerful formulas.

100% Ultra-Pure Amino Liquid

Leading experts agree that amino acids are the building blocks of protein and the foundation for all new muscle growth. Each serving of **100% Ultra-Pure Amino Liquid** is mega-dosed with 22,000mg of fast-absorbing essential and non-essential amino acids, including BCAAs. With each and every serving, this mega-dose of amino acids is taken in by your body, absorbed into your bloodstream, and made available to your muscles.*

Zero Fat, Great Taste

Utilizing a precise ratio of BCAAs and other amino acids, this high-powered formula supplies your muscles with the nutrients they can use to grow, without the added fat.*

Rapid-Absorbing Liquid

100% Ultra-Pure Amino Liquid delivers all the benefits of essential and non-essential amino acids in an easy-to-drink, rapid-absorbing liquid for ultra convenience. This unique liquid format is designed to enter the bloodstream, feeding your muscles with the nutrients to help them perform at their best.* For this specific reason, **100% Ultra-Pure Amino Liquid** is ideal for those looking for an alternative to pills and powders. If you're looking for a quality, easily digested source of amino acids that tastes great, get on **100% Ultra-Pure Amino Liquid** today!
