

Best Tocotrienols features Tocomin SupraBio® tocotrienol-tocopherol, full spectrum vitamin E complex. Made from sustainably produced red palm oil, this preparation is uniquely self-emulsifying for efficient absorption. It elevates tocotrienols in the blood, brain, heart, liver, and skin while conserving alpha-tocopherol levels. This unique preparation also improves blood vessel wall function and helps maintain healthy cholesterol levels within the normal range.

Powerfully supports cardiovascular wellness*

Enhances antioxidant defense in the brain and other organs*
