NADH

COENZYME B-3

FOR ENERGY & MENTAL ALERTNESS*

5 MG • 30 TABS

*Enteric
Coated*

SN2076 REV D085

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
Suitable for vegetarians and HYPOALLERGENIC: contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your physician before using this product.
STORE IN A COOL, DRY PLACE.

Suggested Use: 1 tablet daily in the morning, on an empty stomach, with water. Wait 30 minutes before eating.

Enteric coated to improve absorption.*

NADH, a natural coenzyme derived from vitamin B-3 (niacin) is essential for basic metabolism, respiration, the breakdown of sugars and fats, and the production of ATP, the primary energy molecule in our cells. NADH supplies ATP energy to the brain, nerves, muscles, heart and all other organs, in order to function. Chlorophyll supports cellular energy production by stimulating hemoglobin and red blood cell regeneration.

Other ingredients: D-mannitol, sodium bicarbonate, microcrystalline cellulose, magnesium stearate, and vitamin C (as sodium ascorbate).

Supplement Facts	
Serving Size 1 Tablet	
Amount Per Serving	
Co-E1® NADH (Reduced B-Nicotinamide 5 mg†)	5 mg†
Adenine Dinucleotide-Coenzyme Vitamin B-3)	1 mg†
Chlorophyllin	1 mg†
†Daily Value not established.	

Energy-Rich Coenzyme*
