

CONTAINS NO artificial colors, flavors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, crustacean shellfish or fish. Suitable for vegans.

Keeping bones strong requires constant attention to the nutrients we ingest that feed bones. Without adequate vitamins and minerals, bones weaken over time. Our vegan **Bone Support Formula** provides a product with no animal derivatives that promotes bone health. Combining vitamins C, D2, and K (as vitamin K1 and K2 from non-GMO fermented soy, or "natto") plus minerals in highly absorbable forms, our product provides a one-stop shop for you to obtain these key nutrients for bone health.†
