Suggested use: To support digestive and immune health for children 2 and up: Take one (1) stick packet daily. To support digestive and immune health and for occasional digestive distress for adults: Take one to two (1-2) stick packets daily.

For ages 4 and up: Tear open perforation at top of stick packet. Empty contents directly onto tongue, let dissolve and swallow.

Stick packet contents may also be stirred into cool beverage or sprinkled onto food. Children under the age of 4 should only dissolve into beverage or sprinkle on food, under adult supervision.

Warning: Pregnant or nursing women, individuals taking medication(s) or persons who have a health condition should consult their physician before using this product.

KEEP OUT OF THE REACH OF CHILDREN.

Store in a cool, dry place away from direct sunlight. Keep at room temperature or below.

*At time of manufacture.
