30 Billion Active Cultures for Daily Digestive Balance*

Formulated with lactobacilli and bifidobacteria probiotics, Primadophilus® Fortify™ is your powerful ally for maintaining daily digestive and immune health.*

- 16 billion **lactobacilli** to work in your small intestine
- 14 billion **bifidobacteria** to support your colon*

Multiple Health Benefits

Taking Primadophilus Fortify every day helps:

- **prevent occasional gas/bloating/constipation***
- **promote overall digestive balance***
- **support immune health***

Researched Probiotic Strains

Primadophilus Fortify contains NCFM® and Bi-04®, both researched probiotic strains.

Delayed Release

Primadophilus Fortify capsules **resist stomach acid** better than standard capsules to help deliver probiotics to the intestine.

What are Probiotics?

Probiotics are good bacteria that promote digestive balance and support immune health.*

30 Billion Advantage

While many popular probiotic brands only provide 1 to 10 billion live bacteria cultures per serving, **Primadophilus® Fortify™** provides **30 billion live bacteria** cultures to help balance and replenish your intestinal tract.*

Guaranteed Potency

Primadophilus Fortify's 30 billion potency of live probiotic cultures is guaranteed until product expiration date when stored under recommended conditions.

Potency of live cultures measured in Colony Forming Units (CFU).
