

# The Unique Probiotic Specially Formulated for Adults Age 50+

Primadophilus® Fortify™ Age 50+ is designed for the digestive needs of mature adults: promotes regularity and digestive balance\*

- prevents occasional gas, bloating and constination\*
- supports immune health\*

# Supports Colon Health\*

As adults age, the level of bifidobacteria in the colon may decline, Primadophilus Fortify Age 50+ provides a higher ratio of bifidobacteria probiotics to help replenish your colon.\*

Bifidobacteria in the colon may decline with age

# **Delayed Release**

Primadophilus® Fortify™ Age 50+ capsules resist stomach acid better than standard capsules to help deliver probiotics to the intestine.
