

DIRECTIONS: (Adult) Take one (1) tablet with breakfast and a full glass of water and one (1) with dinner and a full glass of water.

Usage Warning: Do not use if safety seal is broken. Check with your doctor before using this product if you are using medication, including diuretics, heart medications and corticosteroids, or have any medical conditions. Do not use if you have an intestinal obstruction, hemorrhoids or other intestinal disorder. Do not use if you are taking any other product concurrently that has laxative effects. Do not use if you may become pregnant, are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool, dry place. NOTE: This product is not intended to be used without breaks. Chinese Rhubarb and Cape Aloe belong to a family of plants containing compounds with laxative effects. Can lead to dehydration and electrolyte loss. With long-term use without breaks, these ingredients may interfere with diagnostic imaging procedures of the colon. Taking a break of 30 or more days between use cycles will help maintain natural regularity. Not intended for long-term use.

WARNING: (State of California Prop 65) This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.

NOTICE: This product contains Chinese Rhubarb and Cape Aloe. Read and follow the directions carefully. **Do not use if you have or develop diarrhea, loose stools, or abdominal pain because Chinese Rhubarb and Cape Aloe may worsen these conditions and be harmful to your health.** Consult your physician if you have frequent diarrhea or if you are pregnant, nursing, taking medication, or have a medical condition.

***This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**
