BODYBUILDING.COM BETA ALANINE

TAKE IT TO THE NEXT LEVEL

Your performance level will determine how long you can maintain exercise without getting fatigued to the point that you have to stop. Shown to boost intramuscular carnosine, Beta Alanine is an amino acid that supports an optimal pH level by delaying the buildup of lactic acid induced by intense exercise.* Bodybuilding.com Beta Alanine features a full, clinical dose of patented CarnoSyn® beta alanine to give you the best possible results!† For more information about this product visit Bodybuilding.com.

This product was produced in a GMP facility. Good Manufacturing Practices, or GMPs, are a set of standards which ensure the purity and proper labeling of dietary supplements.

* THESE STATEMENTS HAVE NOT BEEN EVALUATED BY THE FOOD AND DRUG ADMINISTRATION. THIS PRODUCT IS NOT INTENDED TO DIAGNOSE, TREAT, CURE OR PREVENT ANY DISEASE.

DIRECTIONS

Mix one scoop with 2 to 6 oz. of water and take 30 minutes before training. For optimal results take an additional serving following exercise. On non-training days take one serving upon waking, and another serving 6 to 8 hours later. Serving scoop included, but may settle to the bottom during shipping.

WARNINGS

Do not use if pregnant, contemplating pregnancy, or nursing. This product is only intended to be consumed by healthy adults 18 years of age or older. Before using this product, consult with your physician. Discontinue use and consult a health care professional if you experience any adverse reaction to this product. Store in a cool, dry place below 80°F. Do not use if the seal is broken or missing. This product contains Beta-Alanine and may cause a temporary tingling sensation on your skin. This is normal. With continued use, the intensity of the sensation will decrease or disappear. This product contains chemicals known to the state of California to cause cancer, or birth defects or other reproductive harm.
