

LIBIDO-MAX RED™ MALE PHYSICAL RESPONSE™

This innovative product for men is specially formulated to support blood flow and boost physical response.* It features L-Citrulline, an amino acid that is readily converted into L-Arginine, which can then be converted into Nitric Oxide in the body.* Nitric Oxide is a naturally-occurring compound that plays a key role in cardiovascular and sexual health.* It stimulates healthy blood flow to vital organs and enhances physical response during sexual activity.*

This formula can be taken daily for ongoing maintenance of sexual health or as needed for fast-acting sexual enhancement.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

GUARANTEE

If you are not satisfied with the results of Libido-Max RED™, you may return the unused portion of product along with your receipt. A check for your refund will be sent back to you with no questions asked. This unheard of guarantee is being offered because the developer of Libido-Max RED™ is so confident in the results the formula will provide.
