Total ORAC Value of 86,694 Units per month supply!

Previously, the top rated competitors claim to have an estimated ORAC score of 30,000 – 50,000 ORAC units, per month supply. Max Effect was tested by a third party, independent laboratory, and was shown to have a total **ORAC Value of 86,694 per month supply!** (See website for lab results) To achieve this score, we used the highest rated ORAC fruits on the planet, while making sure to use them in a ratio that produces the best tasting liquid at the same time.
