## Premium Green Coffee Bean

is 100% Svetol." Svetol is a clinically studied decaffeinated green coffee bean extract with 45-50% chlorogenic acid to promote healthy weight loss and help reduce body fat without jitters."

The chlorogenic acid in green coffee beans helps reduce absorption of glucose and fat from foods, prompting the body to burn fat for energy." The result, according to clinical studies, is:

- ► Reduced body weight'
- ▶ Reduced body fat'
- ► Improved lean-to-fat mass ratio (more lean muscle mass, less fat)\*
