

Suggested Use: As a dietary supplement, take one tablespoon. May be taken alone or mixed with your favorite hot or cold beverage.

SHAKE WELL BEFORE EACH USE

Our pure coconut-based emulsified MCT Oil (medium chain triglycerides) is not only packed with the medium chain fatty acids that started the MCT oil craze, it also contains potent levels of lauric acid, a compound found in coconuts that is thought to support optimal health.* Palm oil, a leading constituent in many other MCT oils on the market, is typically harvested from native palm forests, contributing to the destruction of the last remaining habitats for orangutans. So enjoy our best in class emulsified MCT Oil and send a karmic high five to the great red ape.

Consult a medical doctor before taking this or any other nutritional supplement if you are pregnant, nursing, have or suspect a medical condition or are taking any medications. Store in a cool, dry place. Do not use if freshness seal is missing or broken. KEEP OUT OF REACH OF CHILDREN.

TYPICAL MCT CONTENT PER SERVING:

Caprylic Acid.....2,400 mg
 Capric Acid.....1,950 mg
 Lauric Acid.....2,000 mg
