

Suggested Use:

Adults, as a dietary supplement, take three tablets early in the day, preferably with a light meal. Do not take StronBone within four hours of taking a calcium supplement as strontium and calcium will compete for uptake. Do not exceed three tablets in any 24-hour period.

Consult a medical doctor before taking this or any other nutritional supplement if you are pregnant, nursing, have or suspect a medical condition or are taking any medications. Store in a cool, dry place. KEEP OUT OF REACH OF CHILDREN.

Strontium is a key mineral found in bone matter but only recently has its benefit in helping the body support health bones been studied.* Stron BONE® contains the same amount of elemental strontium as indicated in recent research.* In addition, this formula contains Vitamin D3 and K2 for additional support as well as a blend of joint supporting nutrients.*
