

DIRECTIONS: Take two (2) capsules with breakfast and two (2) capsules with lunch.

LeptiBURN® overcomes weight loss plateaus and declining leptin levels, common with weight loss diets, with a blend of 4 scientifically-backed ingredients designed to support leptin production and sensitivity. LeptiBURN® is designed to boost fat loss, metabolism, energy levels, and wellbeing. The result is a body primed for accelerated fat loss for every hour of every day. †
