

D.TOX

DETOXIFICATION PROGRAM

Inside this box, you'll find nutritional supplements and the link to unlock your full D.TOX program with access to a Health Coach.

What's more, you'll eat fresh, clean food (in addition to your supplements) to help fulfill your nutrient needs and cleanse the body.

The kit to get your body fit from the inside out.

FiberMend® Encourages optimal digestive function and elimination by promoting beneficial microflora/bacterial balance in the gut.* Supports weight management efforts and helps maintain the body's normal inflammatory response.*

MediClear-SGS™ Supporting tissue repair and regeneration, this rice and pea protein powder helps eliminate harmful substances in the body.* Added vitamins, minerals, amino acids and botanicals aid in the detoxification process and promote healing.*

Unlock full program details online.

We've provided you with a link to find all the surprising clean foods you can eat, grocery shopping inspiration, and expert exercise and lifestyle guidance. Get delicious recipes and continued online access — even after you finish the program.

DETOXIFICATION PROGRAM

Vanilla Flavored

D.TOX

DETOXIFICATION PROGRAM

supplements to cleanse + real food to nourish
is the healthy way to detox

Vanilla Flavored

MediClear-SGS™
Vanilla Flavor

FiberMend®

Life Time Detoxification Program

Built to support your body's detoxification system, this 2-week program helps your body cleanse, reset metabolism and eliminate toxins.

Eating real food

Our program guides you through a healthy way to detox. Not only will you be taking the included supplements, but you will be eating real food and nourishing your body too.

Unlock full program details online

We've provided you with a link to find all the surprising clean foods you can eat, grocery shopping inspiration, and expert exercise and lifestyle guidance. Get delicious recipes and continued online access — even after you finish the program.

How it works

1

Prep

Start by eliminating big culprits and temptations for the best possible results.

2

Detox

Follow 2-week program with included supplements, approved foods and more.

3

Restore

Reintroduce certain foods and get tips for a healthier life beyond the program.
