\*\*\*Daily Value not established.

**Other Ingredients:** Rice Bran Oil, Gelatin, Vegetable Glycerin. **Contains <2% of:** Soy Lecithin, Titanium Dioxide Color.

Q-Sorb™ is a natural, highly bioavailable form of Co Q-10, identical to that found in the body. Our unique formulation enrobes the key nutrients with antioxidants, ensuring potency and purity. Finally, Q-Sorb™ is hermetically sealed in rapid release softgels, providing superior absorption. When choosing Co Q-10...make sure it's Q-Sorb™!

Q-Sorb™ Coenzyme Q-10 helps maintain heart health and is essential for energy production by almost every cell in the body.\* Statin medications can reduce Co Q-10 levels in the body. Co Q-10 can replenish what Statin medications may deplete. \*\*Note: Co Q-10 is not intended to serve as a replacement for Statin therapy, nor should you discontinue taking any prescribed medications while supplementing with Co Q-10.
