Gluten Free

Directions: Shake Well.

Adults and children over the age of 12, take 2 teaspoons daily (1000 IU) and children ages 4 to 12 take 1 teaspoon (500 IU) daily, or as directed by your health professional. May be taken with or without food. Do not exceed recommended daily serving.

May be taken directly or mixed in water or juice. Wash dosage cup after each use. Product may be stored at room temperature or refrigerated after opening for added freshness.

Wellesse Vitamin D3 is made with ingredients that can change color over time. Product quality, potency and purity are not affected.

Tamper Evidence: Do not use if the seal is broken or missing or if the inner seal is not intact.

Caution: Pregnant or lactating women and people with known medical conditions and/or taking medications should consult with a healthcare practitioner before taking dietary supplements.

Warning: Keep out of the reach of children.

Track your health daily! After washing, place the dosage cup over the cap. Each day, match the letter of the week on the Cup to the DIAL A DAY Line shown on the label above.

The WELLESSE® Promise

Wellesse nourishes active bodies with its fast-absorbing, great tasting liquid supplements. For over 20 years, we've been committed to producing a premium line of liquid nutritional supplements that make it easier for you to stay active at every stage of life.

Wellesse Vitamin D3 is like liquid sunshine in a bottle. It's a great tasting dietary supplement, in a fast absorbing liquid formulation that's easy for the whole family to enjoy.

Vitamin D3 is the preferable form of Vitamin D. It helps to proactively support a healthy immune system by aiding the body's natural defenses and helps support bone, teeth, breast, colon and heart health.†

Vitamin D3 may be helpful for the whole family, especially those with limited sun exposure or dark skin, as well as older adults, and overweight individuals.

Research has shown that nutrients from liquid sources can be more easily absorbed than from solids.

Wellesse Vitamin D3 liquid is the natural choice to support healthy levels of Vitamin D.
