Animal Derivatives, Preservatives, Artificial Colors or Flavors.

† Free Form Amino Acids

These statements have not been evaluated by
the Food and Drug Administration. This product
is not intended to diagnose, treat, cure or prevent
any disease.

DIRECTIONS: As a dietary supplement, mix one (1) scoop (5 g) with
6-8 oz. of water or your favorite beverage. For best results, use before
and after training and consume daily.

WARNING: Consult your healthcare provider prior to use if you are
pregnant, nursing, taking any medication or have any medical conditions.

BodyTech's Instantized BCAA Powder provides a precise 2:1:1 ratio of the
essential branched chain amino acids: L-Leucine, L-Isoleucine and
L-Valine. During times of metabolic stress (such as high intensity resistance
training), BCAAs may become fuel for your muscles and help aid in protein
synthesis and prevent catabolism (protein breakdown).
