This product comes from a fishery that has been independently certified to the MSC's standard for a well-managed and sustainable fishery.

MegaRed<sup>®</sup> Joint Care contains a proprietary formula that combines powerful omega-3 krill oil with hyaluronic acid and astaxanthin.

**Eco-Friendly.** Krill is one of earth's most abundant and sustainable organisms. The harvest of krill is well below conservative international catch guidelines. MegaRed<sup>®</sup> goes a step further by only sourcing krill from the Antarctic where krill is most abundant. This helps the ecosystem maintain a healthy, sustainable krill population.

## Joint Care

**Small Softgel, Big Joint Health Benefits<sup>†††</sup>**

MegaRed<sup>®</sup> Joint Care uses 100% pure krill, tiny crustaceans that thrive in the pristine waters of the Antarctic.

## COMPARE TO GLUCOSAMINE & CHONDROITIN

MegaRed<sup>®</sup> Joint Care quickly comforts your joints, helping you do more of the things you enjoy.<sup>†††</sup>

A recent human clinical study showed that just one small, easy-to-swallow MegaRed<sup>®</sup> Joint Care softgel per day comforts joints better than Glucosamine and Chondroitin.<sup>†††</sup> MegaRed<sup>®</sup> Joint Care begins to provide comfort to your joints in as little as 7 days.<sup>†††</sup> And unlike Glucosamine and Chondroitin tablets which can be hard to swallow, you just need to take one small MegaRed<sup>®</sup> Joint Care softgel per day.
