

The MegaRed logo is prominently displayed at the top of the advertisement. It features the word "MegaRed" in a large, bold, white sans-serif font. The "Red" portion of the name is slightly smaller and positioned to the right of "Mega". A registered trademark symbol (®) is located to the upper right of the "d". The logo is set against a dark red, circular background that has a subtle gradient and is surrounded by several smaller, lighter red circles of varying sizes, creating a dynamic, bubble-like effect.

Supplement Facts

Megared® High Concentration Krill Oil carries its omegas in a phospholipid form for **easy absorption** and uses **100% pure** Antarctic Krill. Any crustaceans that thrive in the frigid waters of the antarctic, it also contains astaxanthin, a naturally occurring antioxidant.

DIRECTIONS: Adults take one (1) softgel daily.

- to support three markers of cardiovascular health:
Omega-3 index: The amount of omega-3 fatty acids EPA DHA in blood cells?
Triglycerides: A type of fat measured in the blood?
C-reactive Protein (CRP): An important marker of systemic inflammation?
Besides, **Megared®** is the first to give you **30% more Omega-3s** per milligram compared to what you can find in standard pure krill oil per

Superior? Megared® High Concentration Krill Oil contains ingredients

A healthy and active life begins with a healthy heart. And eating healthy, staying active and taking omega-3 supplements can help support your heart health.*
