DIETARY SUPPLEMENT

TIMED RELEASE

Healthy Aging Formula

To help maintain peak health and vitality, it's important to provide our bodies with high levels of antioxidants to fight cell damaging free radicals.*

Important nutrients such as Selenium, Vitamin E and Beta-Carotene provide antioxidant support.*

Bone & Joint Health

Bone health becomes increasingly important in a woman's life, especially around the age of 50. Each serving provides an excellent source of Calcium - the key mineral needed for strong bones, plus Vitamin D to help your body absorb Calcium.* Vitamin C is also included to support collagen formation for joints.*

Energy Metabolism

High potency B-vitamins are included to support carbohydrate, fat and protein metabolism.* These essential vitamins support energy metabolism by helping your body convert food to energy.*

Hair, Skin & Nails

High potency essential nutrients such as Biotin, Zinc and other B Vitamins help you to feel your best and look your best as well. These nutrients work together to support vibrant skin and healthy hair and nails, supporting your beauty from within.*

A woman's body is always changing, and her nutritional requirements are no exception. Ultra Woman™ 50 Plus is specifically designed to address these changes by providing key amounts of important nutrients that help to keep your body running better than ever. When combined with a sensible diet rich in fruits and vegetables and a daily exercise program, Ultra Woman™ 50 Plus will help you to enjoy the prime of your life by giving you the peace of mind that you're providing your body with the nutrients it needs most.
