DIETARY SUPPLEMENT

VINPOCETINE

PROMOTES CEREBRAL METABOLISM*

10 MG • 60 TABLETS

Supplement Facts

Serving Size 1 Tablet

	Amount Per Serving
Vinpocetine	10 mg†

†Daily Value not established.

Other ingredients: microcrystalline cellulose, stearic acid, and magnesium stearate.

Vinpocetine is a derivative of vincamine, a key component of the Lesser Periwinkle plant. Research suggests vinpocetine may improve cognitive performance and short-term memory loss that is sometimes experienced with stress or aging. Animal studies have shown that vinpocetine significantly increases circulatory parameters including total cerebral blood flow.*

Directed Use: 1 tablet 1 to 3 times daily with food. Do not exceed three tablets per day.

**Do not use if either tamper-evident seal is broken or missing.
Keep out of the reach of children.**

WARNING: May cause stomach upset if taken on an empty stomach. If you have low blood pressure, have a history of heart problems, strokes or are using bloodthinning medications, consult your doctor before using this product. For adult use only. Do not use if you are pregnant, may become pregnant, or breastfeeding.

Suitable for vegetarians and HYPOALLERGENIC: contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**
