New Whey Nutrition Multi-Pro Whey™ provides 24 grams of protein per scoop. Each serving of this advanced protein formula provides more than 5 grams of naturally occurring Branched Chain Amino Acids (BCAAs): Leucine, Isoleucine and Valine, to promote superior muscle growth and repair.¹

Each scoop also has 4 grams of glutamine to maximize recovery, support new muscle growth, reduce soreness and improve protein metabolism.¹

Multi-Pro Whey has a unique combination of fast-medium and slow-digesting proteins to deliver maximum nutrient absorption. **Multi-Pro Whey** is the perfect product for any time of the day. It is high protein, low in carbohydrates, sugar and fat and is ideal for anyone looking to promote lean muscle.¹
