## SUGGESTED USE: Take 6 tablets daily.

## WHAT ARE AMINO ACIDS?

Amino 5200™ contains Amino Acids which are the basic building blocks of protein. Amino Acids ensure that all cells. tissues, organs in our bodies have a readily supply of protein as well as aid in repair, growth and development of muscle tissue 1

## HOW LONG DOES AMINO 5200™ LAST?

During the manufacturing process. Amino 5200™ undergoes a special process to glaze each tablet with a film coat. This coating prevents stomach acid from dissolving the Amino tablet. Therefore the Amino tablet is passed into the small intestine where it is does not have to compete with other nutrients and is better absorbed into your bloodstream. The digestion in the small intestine will take up to 4 hours, therefore allowing your muscles to henefit from the nutrients during the entire digestion neriod 1
