PURPLE ARONIA EXTRACT POWDER

Native to North America, the deep purple aronia berries contain a greater antioxidant capacity than any other berry. The rich phenolic compounds give the berry its intense purple, nearly black coloring and nourishing composition. Purple aronia contains substantial amounts of iron, vitamins, and antioxidant-dense phytochemicals that support the immune system, digestion and overall health. Our Purple Aronia Extract Powder is vegan, gluten-free, chemical-free and non-GMO.†
