dōTERRA's PB Assist+ is a proprietary formula of pre-biotic fiber and six strains of probiotic microorganisms in a unique double-layer vegetable capsule delivering 5 billion CFUs of active probiotic cultures and a soluble pre-biotic fiber that encourages culture adhesion and growth. The time-release system protects sensitive probiotic cultures from stomach acid, and is safe for your whole family.

Directions for use: Take 1 to 3 capsules with meals.

Note: Pregnant or lactating women, and people with known medical conditions should consult with a physician prior to taking supplements. Does not contain wheat or milk products. Store in a cool, dry place.
