PROBIOTIC SUPER GREENS WITH TURMERIC

Organic Traditions® Probiotic Super Greens Blend is the ultimate alkalizing, nutrient-dense greens formula made from the young, juiced grasses of alfalfa, barley, kamut, oat and wheat in their vegetable state, 2 of nature's most nourishing algae Chlorella and Spirulina, Moringa, Matcha green tea, turmeric powder extract as well as pre and probiotics. These powerful young, green grasses contain an abundance of chlorophyll, vitamins, minerals and antioxidants. Combined with the fresh water green microalgae, Spirulina and broken cell wall Chlorella, this blend is enhanced with moringa, matcha green tea and dual extracted supercritical plus hydroethanolic turmeric root extract for optimal benefits. Enjoy the best in green phyto-nutrition along with 5 billion beneficial probiotics per 1 tbsp. serving for optimal digestive health.* The premium probiotic strain Bacillus coagulans unique IS-2 has excellent survivability, stability, safety and efficacy. It survives stomach acidity and does not require refrigeration. The addition of Acacia Gum prebiotic fiber makes this an all in one pre and probiotic blend thereby making this a synbiotic superfood greens formula. When blended into water or juice, it is the freshest green elixir you have ever experienced. Mix up to 1 tablespoon (1-3 teaspoons) into 8-16 oz. of water, coconut water, juices, smoothies or any recipe that you want to boost with high vibrancy green nutrition. Make pesto, raw vegetable soups, salad dressings, dips and more.
