COMPARE TO FISH OIL

- ♥ 100% Pure, High Absorption Krill Oil
- ♥ No Fishy Aftertaste

ACTUAL SIZE

***90 120 SOFTGELS | DIETARY SUPPLEMENT**

ACTUAL BOTTLE SIZE

Eco-Friendly. Krill is one of earth's most abundant and sustainable organisms. The harvest of krill is well below conservative international catch guidelines.

MegaRed® goes a step further by only sourcing krill from the Antarctic where krill is most abundant. This helps the ecosystem maintain a healthy, sustainable krill population.

This product comes from a fishery that has been independently certified to the MSC's standard for well-managed and sustainable fishery.

May Reduce the Risk of Coronary Heart Disease†

Schiff® MegaRed® contains oil from 100% pure Antarctic krill, tiny crustaceans that thrive in the frigid waters of the Antarctic.

MegaRed® provides an optimal combination of omega-3 fatty acids, phospholipids and the powerful antioxidant astaxanthin to support heart and joint health.* Just one small, easy-to-swallow MegaRed® softgel to take each day. Quality tested for purity.

COMPARE TO FISH OIL

	Just 1 Small Softgel Per Day	Contains Omega-3 Fatty Acids	No Fishy Odor or Aftertaste
MegaRed® Softgel	✓	✓	✓
Fish Oil Softgel		✓	

MegaRed® Omega-3 Krill Oil contains omega-3 fatty acids DHA and EPA. Research has shown that DHA and EPA may reduce the risk of coronary heart disease.† Unlike fish oil, the omega-3 fatty acids in MegaRed® Omega-3 Krill Oil are mainly absorbed and carried to your body's cells in phospholipid form.

Phospholipids form the structural basis of cell membranes, so MegaRed® phospholipids with omega-3 fatty acids are easily recognized, incorporated and utilized by your body.

Importantly, because MegaRed® omega-3s are carried in phospholipid form, there is no fishy aftertaste.

MegaRed® has been shown to significantly increase your Omega-3 Index in just 30 days.* The Omega-3 Index is a measure of the amount of omega-3 fatty acids in your body's cells. A higher Omega-3 Index is associated with better cardiovascular health and other health benefits.

† Proprietary controlled human clinical study of 300 mg MegaRed® for improving Omega-3 Index, Aker Biomarine, 2010.
