

MET-Rx® BCAA 2200 PLUS VITAMIN B-6

MET-Rx® has unleashed BCAA 2200 - a potent blend of all three Branched Chain Amino Acids that bodybuilders and athletes demand to power their workouts. BCAA 2200 employs state of the art NitroGel technology to maximize the delivery of BCAAs per softgel.

Massive MET-Rx® BCAA 2200 Benefits:

- BCAAs are especially important for bodybuilders since they comprise a large percentage of the amino acid composition of muscle.*
- BCAAs are also the only aminos that are directly metabolized in the muscle as opposed to the liver.
- Provides dual benefits since BCAAs can be used to build protein or broken down in muscle to supply a direct source of energy.*
- BCAAs provide muscle nitrogen support for a variety of metabolic functions, which can be especially important during heavy training.*

Enhanced with high-potency Vitamin B-6, which plays an essential role in BCAA metabolism for optimal usage.*

DIRECTIONS:

For adults, take four (4) softgels before or after your training session. As a reminder, discuss the supplements and medications you take with your health care providers.

FREE OF: yeast, wheat, milk or milk derivatives, lactose, sugar, preservatives, artificial flavor, sodium (less than 5 mg per serving).

WARNING: If you are pregnant, nursing, taking any medications or planning any medical procedures, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Not intended for use by persons under the age of 18.

KEEP OUT OF REACH OF CHILDREN. STORE IN A DRY PLACE AND AVOID EXCESSIVE HEAT. TAMPER RESISTANT: DO NOT USE IF SEAL UNDER CAP IS BROKEN OR MISSING.
