Eco-Friendly. Krill is one of earth's most abundant and sustainable organisms. The harvest of krill is well below conservative international catch guidelines.

MegaRed™ goes a step further by only sourcing krill from the Antarctic where krill is most abundant. This helps the ecosystem maintain a healthy, sustainable krill population.

This product comes from a fishery that has been independently certified to the MSC's standard for a well-managed and sustainable fishery.

Why is Heart Health Important?

Staying healthy means continuing to do what you want and love – today and for years to come. A healthy and active life begins with a healthy heart. Eating healthy, staying active and taking supplements can help support your heart health.

How Can MegaRed® Super Heart™ Help?

MegaRed® Super Heart™ – 3x Action for Heart Health.

This unique formulation combines three clinically proven ingredients for heart health support: high absorption 100% pure krill oil, CoQ10 and Vitamin D. The triple action formula helps support 3 markers of heart health – blood pressure¹, triglycerides² and Omega-3 Index³.

CoQ10
Helps support energy production in the heart*
Vitamin D
Helps support healthy blood pressure*

Omega 3 Krill Oil
Supports healthy triglyceride levels and omega-3 index*

All in 1 pill
