***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Directions: For adults and children 4 years of age and over, chew one (1) tablet daily, preferably with a meal. For children 2 - 4 years of age, chew one-half (1/2) tablet daily. As a reminder, discuss the supplements and medications you take with your health care providers.

WARNING: If you are pregnant, nursing, taking any medications or planning any medical procedure, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. This product requires adult supervision and is not to be dispensed by children.

No yeast, wheat, gluten, milk or milk derivatives, lactose.

1 The American Academy of Pediatrics recommends children and adolescents receive at least 400 IU of Vitamin D per day from food or supplements. Children's Chewable Plus Extra C provides 400 IU for children 4 and up and 200 IU for children 2 to 4. Weng, C. et al. Pediatrics 2006;122:1142-1152.
