Suggested Use: As a dietary supplement, Napalm is a high potency formula that may be mixed in water or your favorite sports drink. To assess for tolerance, begin use by mixing ½ - 1 scoop in your beverage of choice, 30-45 minutes prior to working out. Due to extremely high potency and distribution regulations limiting the daily dose of included stimulants, do not exceed recommended dose of 1 scoop per day. Shake contents well before use.

Cycle Info: Use for 2-3 months before taking a 1 month off cycle. Pyramid dose by tapering at the beginning and end of your cycle.
