

{ **mutant** /'mfju:teɪnt/: an individual with freakish or absurdly exaggerated musculature, anatomy, abilities, etc. }

MUTANT® MADNESS seizes the pre-workout experience, and vaults it to a whole new extreme level! Engineered exclusively for high intensity workouts only, this extra premium formula will jolt your senses. We warn you – use responsibly!*

SUGGESTED USE: As a dietary supplement for healthy adults performing high intensity exercise, experienced and comfortable with high caffeine products, add ½ to 1 level scoop to 8 fl oz (240ml) of cold water, shake 5-10 seconds, and slam it back 30 minutes prior to workouts. First time users should try ½ scoop first to assess tolerance. Read, understand and follow the entire Warning before choosing to use. Do not consume within 4 hours prior to bedtime. Never exceed 2 servings per 24 hours.*

MUTANT® RESEARCH NOTES: Niacin, Vitamin B12 and Folate contribute to the reduction of tiredness and fatigue. Caffeine contributes to an increase in endurance capacity & performance and helps improve concentration (eg: focus). Creatine helps increase strength, power and physical performance in successive bursts of short-term, high intensity exercise. (NNHPO, EFSA)*

WARNINGS: This product may not be appropriate for you. High caffeine content. Not recommended for children or pregnant or breast-feeding women. For use by healthy adults only, accustomed to and comfortable with high caffeine content products. Use at your sole risk. Never exceed suggested use. For occasional use only. Ensure to drink enough fluid before, during, and after exercise. Consult a health care practitioner prior to use: if you are taking lithium; if you have or your family has a history of high blood pressure, cardiovascular disease, glaucoma, depression or any mental illness or issues, prostate/urinary diseases, renal/kidney diseases; if you are attempting to increase physical activity; if you are taking any medication at all and especially if for cardiovascular diseases, erectile dysfunction, and/or blood thinners. Do not use if you have had a heart attack/myocardial infarction. Consumption with other stimulant containing foods, drinks, dietary supplements (e.g. including but not limited to bitter orange extract, synephrine, octopamine, ephedra), other drugs (e.g. ephedrine) which increase blood pressure, or with other caffeine-containing products (e.g. medications, coffee, tea, colas, cocoa, guarana, maté) is not recommended. Beta-alanine and niacin can cause a temporary flushing, tingling sensation of the skin. This product is not intended as a substitute for sleep. If hypersensitivity, chest pain or allergy occurs, discontinue use and consult a health care practitioner. This product is intended to be used to supplement the diet; not to be used as a substitute for a varied diet. A varied and balanced diet and healthy lifestyle are essential for good health. Do not use if packaging has been tampered with. Mutant Madness has not been clinically studied – statements are based on corresponding individual ingredient's known and/or typical claims and warnings. Packed by weight, not by volume. Settling of product occurs after filling. Do not consume silica packet. User assumes all liability & risk. **KEEP OUT OF REACH OF CHILDREN. STORE IN A COOL, DRY PLACE.***

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
