750 mg

Easily Absorbed
NO Fishy Aftertaste

40 SOFTGELS | **DIETARY SUPPLEMENT**

ACTUAL SIZE

ACTUAL BOTTLE SIZE

Eco-Friendly. Krill is one of earth's most abundant and sustainable organisms. The harvest of krill is well below conservative international catch guidelines.

MegaRed® goes a step further by only sourcing krill from the Antarctic where krill is most abundant. This helps the ecosystem maintain a healthy, sustainable krill population.

GUARANTEED: No added sugar (sucrose, fructose, lactose), salt (sodium chloride), yeast, wheat, gluten or milk. No preservatives or artificial colors.

GUARANTEED for purity, freshness and absorbent potency.

DIRECTIONS: Adults take one (1) softgel daily.

30% more Omega Power

per mg vs standard pure krill oil

Why use MegaRed® Ultra Concentration Omega-3 Krill Oil?

MegaRed® gives you **30% more Omega-3s per milligram** compared to what you can find in standard pure krill oil supplements. In addition, MegaRed® is proven to **increase the Omega-3 index in just 30 days***.

What are Omega-3 fatty acids, EPA and DHA?

Omega-3s are critical to human health and provide the building blocks for all your cells*.

EPA and DHA are two different types of Omega-3s. Many studies have shown that higher intake of EPA and DHA helps to support some of the most relevant heart health areas*.

What is Krill?

Krill are tiny crustaceans that thrive in the frigid waters of the Antarctic. Differently from fish oil, oil from krill carries its Omega-3 in a phospholipid form which helps the absorption in the human body*. The krill used for this product is 100% pure and harvested below conservative international catch guidelines.

Protected with a tamper evident seal. Do not use if seal under cap is broken or missing. Store in a cool, dry place with lid tightly closed. Gelatin is derived from bovine sources.
