

Probiotic Pearls™ Adult 50+

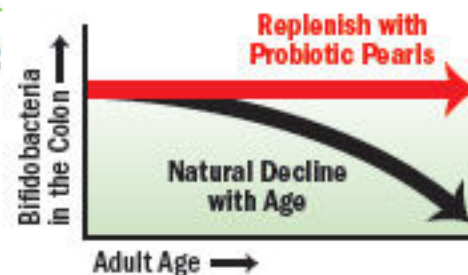

Specially Formulated for Adults Age 50 & Over:

As you age, the amount of healthy bifidobacteria in your colon naturally declines. Taking Probiotic Pearls Adult 50+ formula daily replenishes bifidobacteria in your colon to help:

- Protect against occasional gas, bloating & constipation.*
- Maintain regularity, digestive balance & immune health.*

5 Bifidobacterium Strains:

Probiotic Pearls Adult 50+ formula provides 5 strains of healthy bifidobacteria: *B. longum*, *B. breve*, *B. lactis*, *B. infantis* and *B. bifidum*.

Uniquely Made to Survive:

Probiotic Pearls Adult 50+ are made with an advanced **triple-layer softgel** that protects active bifidobacteria inside from heat, moisture, air and stomach acid to maximize survival and delivery to the colon.
