

100% Krill Oil  
Easily Absorbed  
+  
**2X MORE CONCENTRATED**  
**OMEGA-3s**

**What is MegaRed® Advanced 2x Concentrated Omega-3?**

MegaRed® Advanced is a special combination of high concentration fish oil and high absorption krill oil that has 2 times more Omega-3s vs. standard fish oil alone and supports 4 benefits.

May reduce the risk of coronary heart disease<sup>††</sup>

**HEART**

Promotes joint comfort\*

**JOINT**

Supports brain health\*

**BRAIN**

Building block for eye health\*

**EYE**

**Omega-3 Concentration**

1 MegaRed® Advanced 4 in 1 Extra Strength 900 mg softgel = 2 standard fish oil pills

**What are Omega-3 fatty acids, EPA and DHA?**

Omega-3s are critical to human health and provide the building blocks for all your cells.\*

EPA and DHA are two different types of Omega-3s. Studies have shown that higher intakes of EPA and DHA help support some of the most relevant areas of heart health.\*

**What is Krill?**

Krill are tiny crustaceans that thrive in the frigid waters of the Antarctic. Differently from fish oil, oil from krill carries its Omega-3 in a phospholipid form which help absorption in the human body.\*

The Krill used in this product is 100% pure and harvested below conservative international catch guidelines.

**WARNING:** People with shellfish allergy, coagulopathy, or taking anticoagulants or other medications should notify their physician and be tested prior to taking dietary supplements.

**Note:** If pregnant, breastfeeding, or on prescribed medication, consult your physician before using this product.

\* **THESE STATEMENTS HAVE NOT BEEN EVALUATED BY THE FOOD AND DRUG ADMINISTRATION. THIS PRODUCT IS NOT INTENDED TO DIAGNOSE, TREAT, CURE OR PREVENT ANY DISEASE.**

<sup>†</sup>Supportive, but not conclusive research shows that consumption of EPA and DHA Omega-3 fatty acids may reduce the risk of coronary heart disease.

**Eco-Friendly.** Krill is one of earth's most abundant and sustainable organisms. The harvest of krill is well below conservative international catch guidelines.

MegaRed® goes a step further by only sourcing krill from the Antarctic where krill is most abundant. This helps the ecosystem maintain a healthy, sustainable krill population.
